It is not recorded that Oom Paul said he would win the fight, but he did say that the victory to the British would stagger bumanity.

The Los Angeles Express says that "New Mexico will also knock at the door of congress this season to be admitted to statehood. Those whose attention has not been directed to it are not aware of the vigorous strides forward that Arizons and New Mexico have been making in recent years. The time has arrived when both these lusty and progressive territories should be admitted to the privileges to which their progress entitles them."
